EL PASO, Texas — Special Traffic Investigations officers investigate yesterday's fatal motorcycle crash around 7 pm on Montwood. The initial investigation revealed 48-year-old Bryan Parham was driving east on Mountwood when he failed to yield the right of way by turning left in front of Mr. Camlin. Parham fled the scene following the collision, and Camlin was transported to a local hospital with life-threatening injuries. Unfortunately, Camlin died at the hospital. Evidence at the scene led investigators to Parham; he was placed under arrest and charged with Accident Involving Death.
